WHAT HAPPENS TO MY CHILDREN IF I DIE WITHOUT A WILL? WHO WILL PAY FOR THEIR CARE? DO I WANT MY CHILDREN TO INHERIT MONEY WHEN THEY ARE YOUNG? DOES A WILL OR A TRUST ADDRESS THESE CONCERNS BEST? AND WHAT IS THE DIFFERENCE BETWEEN A WILL AND A TRUST ANYWAY?!

If any of these questions run through your mind (or the *back* of your mind, as most of us put off our estate planning if we can!), please join us for a free informational event to answer these questions and to give an overview of the estate planning process. We will discuss definitions for various terms used in planning, so that the language doesn't sound so foreign. We will also review the basic documents used in planning and how they fit together to cover your goals both during life and at your death.

Please join us as attorney Katie James shares the information, and we will leave time for your general questions. Light refreshments will be offered. Make sure to RSVP to Shauna Marcum, paralegal for Ms. James, as seating is limited and an accurate count is helpful for our planning.
